

Discover Energy Savings Challenge

Submission Form

Purpose: To help combat increasing energy costs, BCNPHA is carrying out an energy awareness campaign to help you, BC's non-profit housing sector, to identify potential energy efficiency measures.

Instructions: Refer to the "Discover Energy Savings" guide and review potential energy savings measures. Complete the submission form to be entered for a chance to win one of two \$500 draw prize. The winners of the draw prize will be featured in BCNPHA's Infolink Magazine.

Non-Profit Organization:		
Applicant name:		
Mailing address:		
Email address:		
Building type:	<input type="checkbox"/> Apartment <input type="checkbox"/> Townhouse <input type="checkbox"/> Row house (duplex, triplex, fourplex and etc.)	<input type="checkbox"/> Single family dwelling <input type="checkbox"/> Other (<i>Please explain below</i>)
Building address:		
Primary energy source(s): Please select all that apply to your site.	<input type="checkbox"/> Electric <input type="checkbox"/> Natural Gas <input type="checkbox"/> Propane	<input type="checkbox"/> Oil <input type="checkbox"/> Other (<i>Please explain below</i>)
Energy type(s) to be conserved: Please select all that apply to your proposed energy efficiency measure.	<input type="checkbox"/> Electric <input type="checkbox"/> Natural Gas <input type="checkbox"/> Propane	<input type="checkbox"/> Oil <input type="checkbox"/> Other (<i>Please explain below</i>)
Energy conservation measure:	Please select one energy efficiency measure from the dropdown menu. <i>If your selection is not in the dropdown menu, please explain below.</i>	
Describe the current system:	What is the current system? Why is it inefficient? Do you have any other reasons for replacing the system? What is the estimated age of the current system?	

Describe the proposed measure:	Do you know if there is an energy efficient retrofit option? What is the proposed system? How will the new system reduce energy consumption? Are there any other benefits?
Challenges with proposed measure. Please select all that apply:	<input type="checkbox"/> Financial <input type="checkbox"/> Knowledge of available technologies <input type="checkbox"/> Behavior change (staff and/or tenants) <input type="checkbox"/> Other (<i>Please explain below</i>)
Do you know if there are utility incentives available for your proposed energy efficiency project?	<input type="checkbox"/> Yes, there are. <input type="checkbox"/> No, there are not. <input type="checkbox"/> I don't know. Would you like BCNPHA to help research if there are incentives that you can put towards your proposed project? (<input type="checkbox"/> Yes / <input type="checkbox"/> No)
Would you like BCNPHA to assist you with research and implementation of this energy conservation measure?	<input type="checkbox"/> Yes (many services BCNPHA provides is free to the non-profit sector) <input type="checkbox"/> No Comments:
When would you consider completing this energy conservation measure?	<input type="checkbox"/> Within 1 month <input type="checkbox"/> Within 6 months <input type="checkbox"/> Within 12 months <input type="checkbox"/> Within 24 months <input type="checkbox"/> Greater than 24 months Comments:
Attach a picture with the submission:	Please include a picture of the current system, and include the applicant in the photo. The picture from the winning applicants will be used in BCNPHA's Infolink magazine.

Please scan & email contest entry form and picture to energy@bcnpha.ca

All entries must be submitted by **February 28th, 2017**
