

REGIONAL BREAKDOWN: Comox Valley Regional District

Investment Required

This table provides a breakdown, by partner, of the total average annual investment needed to support Comox Valley Regional District’s current and future affordability and supply needs. (Totals may not add up due to rounding)

(AVERAGE ANNUAL COST IN MILLIONS)

	Income Support	New Supply	Non-Profit Repair	Homelessness	Total
Provincial Share	\$3.29	\$5.35	\$0.27	\$0.78	\$9.69
Federal Share	\$3.29	\$5.35	\$0.27	\$0.78	\$9.69
Community Share	N/A	\$5.35	\$0.27	\$0.20	\$5.83
TOTAL	\$6.58	\$16.05	\$0.82	\$1.76	\$25.21

Households Needing Support

This table shows the number of renter households in the region that are currently in need of a new unit or income support in order to be adequately and affordably housed.

Household Type	Supply Backlog	Income Support
Core housing need households (average income: \$19,330)	339	1,792
Missing middle households (average income: \$47,387)	236	N/A
TOTAL	575	1,792

Demand for Affordable Rental Housing

The graph on page 2 displays the number of new rental units that will be required to meet the future demands of households living in core housing need, missing middle housing, and market housing. The estimates come from rental housing demand projections prepared by the BC Non-Profit Housing Association in 2012 and available here:

<http://bcnpha.ca/research/bcnpha-rental-demand-projections-to-2036/>.

New annual rental housing demand by type, Comox Valley, 2017-2026

Saving our Current Stock

Year	Annual investment required
2017	\$772,045
2018	\$563,770
2019	\$1,109,084
2020	\$733,170
2021	\$988,641
2022	\$651,131
2023	\$654,830
2024	\$701,887
2025	\$647,744
2026	\$1,395,918

There are also an estimated **134** units requiring repair in the private market.

Addressing Homelessness

In February 2014, a Point in Time Count took place in Comox Valley which enumerated the minimum number of individuals who were experiencing homelessness in the region on April 12th and from April 13th to 19th. The table below provides a cost estimate of the investment required to adequately house those individuals who are episodically or chronically homeless.

No. Temporary Homeless	39
No. Episodic Homeless	11
No. Chronic Homeless	107
TOTAL	157
Average cost per year to address homelessness	\$1,756,806
