

Welcome to the TELUS Partner Program.

The TELUS Partner Program is designed to give BCNPHA Affiliate Member Society Residents access to enhanced offers, savings, and customer service. Building value for your Affiliate Member Society by pursuing the interest of residents via a partnership agreement with TELUS.

The aim of our program is to build a long term partnership between TELUS and BCNPHA Affiliate Member Societies, ensuring residents in your building portfolio are informed of the latest offers and benefit from our most competitive rates. Your dedicated TELUS Channel Manager, Sarah Ballantyne, will act as an advocate on behalf of your company. Sarah's role is to ensure residents have access to our latest technologies and best in class services as we work towards building out the TELUS PureFibre™ network and copper network.
